# Recover Knee Brace

Sizes: xs, s, m, l, xl, xxl

The Recover Knee brace combines the low profile nature of a hinged ligament knee brace with the functionality of a post-operative brace. This product is available in wraparound style in both long and short lengths. The wraparound design allows patients to apply the brace with ease and with the options of Airmesh® or Neoprene, patients can choose the material that best meets their needs. The Recover Knee brace utilizes the patented T Scope user-friendly hinge, which offers range of motion control of the knee with simple, quick adjustments. The universal design accommodates both right and left leg procedures. The Recover Knee brace combines ease of use, comfort, and functionality all in one brace.
